

## Central Texas Autism Center

### *Summer Institute for Teachers*

Central Texas Autism Center is pleased to announce a Summer Intensive Training for Teachers of students with Autism and Other Developmental Disabilities. We are offering 2 separate week long courses that will include lectures/presentations/videos and opportunities to observe children. The workshop is geared towards professionals working with Early Childhood, Elementary and Middle School aged children. This workshop will focus on the science of Applied Behavior Analysis (ABA) with an emphasis on B.F. Skinner's Verbal Behavior. This course will help districts fulfill the standards set forth in NCLB and the Texas Autism Supplement. The following objectives will be covered:

- Conducting Functional Behavior Assessments (FBA) and Writing Effective Behavior Intervention Plans (BIP)
- Choosing a Response Form for Non-Vocal Children
- Using Criterion referenced assessments and curriculum guides, VB-MAPP, to accurately assess and write measureable IEP objectives
- Using Skinner's Analysis of Verbal Behavior for communication training
- Using teaching procedures from the science of ABA to establish instructional control, increase acquisition rate and fluency of skills
- How to teach language skills to the Early, Intermediate and Advanced Learner
- How to use Direct Instruction Curriculums to teach reading and advanced language concepts
- How to develop Program books, daily schedules, data collection systems and organization of materials in your classrooms
- Hands on practice taking data, role playing teaching procedures and the opportunity to make and take home sample flash cards and program books

***\*\*Homework will be assigned nightly\*\****

Each session will have a limited number of participants who will each receive the criterion referenced assessments, an extensive manual, data sheets and make and take materials. The sessions will run Monday-Friday from **8:30am to 4:30pm** with lunch on your own. Participants must attend the full session to receive credit. Morning and afternoon snacks and refreshments will be provided each day.

Instructors Mindy Peterson, BCaBA, and Morgan Stockdale Chapple, BCBA, have over 20 years of combined experience teaching and assessing children with Autism and other developmental disabilities. Both Mindy and Morgan conduct trainings for professionals around the state of Texas.
