

Free Autism Training for Military Families!

Do you have a child with autism? Are you interested in learning more about parenting children on the spectrum?

If so, come participate in a project directed by Dr. Leslie Neely at The University of Texas at San Antonio.

This project seeks to recruit military parents who have a young, adolescent, or adult child with autism.

You will work with a Board Certified Behavior Analyst-Doctoral Level (BCBA-D) thru an **online format to learn behavioral strategies for your child.**
